

**AGREEMENT FOR COOPERATION
BETWEEN**

Instituto Politécnico de Bragança (Bragança Polytechnic Institute)
Campus de Sta. Apolónia
Apartado 134, 5301-857 Bragança
Portugal

AND

Klaipeda University Marine Technology Faculty

Bijūnų g. 17
LT-91225 Klaipeda – Lithuania

Art. 1

Both parties shall be guided by mutual interest to contribute towards the future development of scientific and cultural co-operation.

Art.2

The parties to the agreement shall lay down the following forms of cooperation:

1. joint research in the fields of mutual interest,
2. reciprocal visits by lectures for the purposes of teaching, studying and the exchange of research experience
3. participation in scientific conferences, symposia and seminars on the invitation of the Institution which organizes the meetings,
4. exchange of experience and information on the syllabi, the methodology of teaching and techniques applied to didactic process,
5. exchange of scientific publications
6. support to contracts between students and student organizations within projected cultural and scientific exchange.

Art.3

The parties shall exchange university teachers, research workers and students on the basis of reciprocity in those scientific areas in which they have mutual interest.

We shall strive to extend the cooperation in various forms of cooperation on projects, such as:

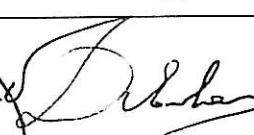

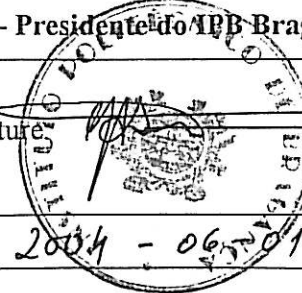

- SOCRATES ERASMUS,
- LEONARDO,
- international projects at tenders held by national ministries,
- projects, financed through international funds.

Art.4

The present shall come into force when it has been signed by the Dean of the President of the Bragança Polytechnic Institute and the Dean of KU Marine Technology Faculty. Any proposals to alter the text and the scope of the agreement must be presented in writing by the signatories at least three month prior to their introduction. Either of the parties may withdraw from the agreement by informing the other party of the decision not later then the first week of April.

Art 5

Both parties shall receive a copy of the agreement.
